15:40 - 16:00

Agile HR, Agile Learning

As we move deeper into the 21st century, new products, new technologies, unexpected opportunities and unforeseen challenges lie ahead. The phrase 'business as usual' will have a new meaning. 'Business as usual' will mean change and disruption.

In this time of global chaos, where individuals and organizations worldwide are confronted with constant change, when negative mindsets are undermining true potential, there is a revolutionary and innovative approach to tap into your own genius within. Discover how to get billions of neurons wiring and firing to transform the old patterns which hold you back, transmute prevailing energy into a powerful source of inspiration...and unlock the Genius in YOU... and your organization.

This session includes:

- Discovering what lies beneath the hard drive of you, your team & the organization
- Redefining the triggers for you and your team
- Harnessing chaotic energy to trigger the shift
- Igniting the morphogenetic field to set in motion infinite expansion and innovation

Participants

Presenter: Carol Talbot - NLP Master Trainer I Keynote Speaker , Best Selling Author
