

SESSIONS

MRNA APPLICATIONS AND THERAPEUTICS - 23/03/2022

mRNA Applications and Therapeutics

23 March 2022

1-Day Digital Event // Powered by AQMEN365
Begins at 12:00PM GMT

Welcome Remarks

12:00 - 12:15
mRNA Applications & Therapeutics

The Use and Delivery of mRNA as a Therapeutic

12:20 - 12:50
mRNA Applications & Therapeutics

- Challenges and limitations of current mRNA technology
- Enabling applications for a developing technology
- The advantages of using mRNA therapy over other modalities

Participants

Volker Germaschewski - Senior Vice President R&D, eTheRNA immunotherapies

Meeting Demand for Clinical Production of mRNA

12:55 - 13:25
mRNA Applications & Therapeutics

- Ensuring consistent and robust IVT production of mRNA
- Achieving high yield and high purity in mRNA purification processes
- Chromatography solutions for in process analytics and purification

Participants

Tomas Kostelec - Technology and Business Development Manager, BIA Separations

Coffee & Networking

13:25 - 13:55
mRNA Applications & Therapeutics

Application of mRNA Against Infectious Diseases

13:55 - 14:25
mRNA Applications & Therapeutics

- Using mRNA against infectious diseases
- mRNA use for HIV vaccines

Participants

Paolo Lusso - Chief, Viral Pathogenesis, National Institute of Health

The Future of the Facility

14:30 - 15:00
mRNA Applications & Therapeutics

- Multi-modal systems
- Growth of a Facility's future
- Rapid deployment of mRNA manufacturing

Participants

Jake Adams - Sr. Project Manager, CRB Group

End of Day

15:00 - 15:05
mRNA Applications & Therapeutics

SCHEDULE

MRNA APPLICATIONS AND THERAPEUTICS - 23/03/2022

mRNA Applications and Therapeutics

23 March 2022

1-Day Digital Event // Powered by AQMEN365

Begins at 12:00PM GMT

TIME	MRNA APPLICATIONS & THERAPEUTICS
12:00	12:00 - Welcome Remarks 12:20 - The Use and Delivery of mRNA as a Therapeutic 12:55 - Meeting Demand for Clinical Production of mRNA
13:00	13:25 - Coffee & Networking 13:55 - Application of mRNA Against Infectious Diseases
14:00	14:30 - The Future of the Facility
15:00	15:00 - End of Day
