15:40 - 16:00

Redefining performance management

Balanced, healthy & harmonious environment means happy, creative, confident employees who feel good in themselves, are more productive leading to deliver exceptional customer experiences, increase loyalty and profitability.

During this session you will learn how to:

- Make simple but powerful changes to the energy flow in your employees' environment without having to cost anything
- Boost employees' confidence, focus and drive, enhancing communication skills to accelerate their career
- Achieve a healthy work/life balance to increase happiness, conduct greater creativity and optimise your employees' ability to learn and grow

Participants

Presenter: Claire Boscq - Award-Winning Customer Experience Expert, Global Keynote Speaker
