GAD (Global Airport Development) has been uniting airport stakeholders since 1994. It is the largest & most senior gathering of major global public and private airport operators, investors, financiers and industry experts.

GAD World 2023 brought together over 270 attendees from the airport investment and development community for the 3-day event, packed with best-practice conference sessions and exclusive networking opportunities.

“GAD is a great opportunity to connect with a knowledgeable and specialized group of individuals from around the world all dedicated to the airport sector.”

JODY ALDCORN, PARTNER, MCCARTHY TÉTRAULT LLP

of delegates achieved their objective of attending.

2023 AGENDA HIGHLIGHTS

Key issues on the agenda this year included:

- Where's the money? The financial markets review
- Managing airport financials in an era of rising costs and variable revenues
- Smart ESG: Stop wasting time and start boosting the bottom line
- Chisinau Airport Moldova: the airport development and strategic partnership opportunity
- Putting SAF on the global airport development agenda
- The Keflavik case study: Restructuring management and master plans to realize and future-proof growth
- Update on the India aviation sector

"What a great event to network, interact and discuss with the relevant stakeholders in the airport industry! This is a first class conference providing excellent networking opportunities and in-depth presentations & panel discussions at the same time."

THOMAS ANKELE, DIRECTOR, KFW IPEX-BANK

GAD attendees enjoyed many opportunities to reinforce & build their network including:

- Evening networking reception, sponsored by Solomon Partners
- Using the networking app to identify new connections
- Expert-hosted discussion roundtables
- Exclusive lunches for Airport C-Suite and Government representatives

"GAD World continues to be the premier "must attend" industry and networking event for airport CFOs, CEOs, investors and financiers."

RAY GRAY, PRINCIPAL, DERRYQUIN ASSOCIATES

FUN FACT:

As a result of more than 400 meetings and connections being made at GAD World, **40 trees will be planted.** The GAD World app is powered by Brella and in partnership with OneTree Planet which plants one tree for every 10 meetings! Who knew networking could be so good for the planet?

“ GAD 2023 was a very well organized and convenient event to meet industry peers, investors and concession authorities in one single event.”
Daniel Bircher, Chief International Officer, Zurich Airport

“ GAD is the premier event where Airport investors and airport operators come together.”
Lutz Weisser, Managing Director, Munich Airport International GmbH

“ GAD World is THE conference for airport developers, investors and operators. A must attend every year!”
Frode Skulbru, CFO ,Modalis Infrastructure Partner
