Present Your Company

[Register Now](#)

Present your company Showcase your breakthroughs and gain traction with a global pool of potential partners.

Sponsor & Exhibit

[Apply Here](#)

Position your company among the innovators of the life science industry with a sponsorship package and improve your visibility with prospective partners.

Gain valuable insights into the drivers, challenges and opportunities ahead for the Asia-Pacific life science market. The agenda will feature:

This year's program will explore the critical trends driving growth, including:

- Investment & Deal Trends – Explore cross-border M&A, licensing, and venture funding strategies to secure capital in today's competitive global market
- Dealmaking & Partnerships – Master the latest approaches in strategic collaborations shaping APAC's dynamic biotech landscape
- AI & Innovation – Discover how cutting-edge platforms and scientific breakthroughs are transforming drug discovery, development, and accelerating market access
- Regulatory & Market Access Strategies – Navigate evolving policies and complex approval pathways to successfully expand across Asia, the U.S., and Europe
- The Future of APAC Biotech – Gain exclusive insights from global and regional leaders on emerging opportunities and what's next for the industry

Networking sessions: 2 receptions (evening and welcome), 2 networking lunches and 4 coffee breaks.

Hear What Previous Attendees Say About Asia Bio Partnering Forum :

“ Asia Bio Partnering Forum offers an excellent opportunity to network with existing and new clients, partners and business associates. It offers a unique mix of prebooked meetings, discussions, exhibition visits and company presentations and a relaxed business environment comprising networking receptions, lunches and coffee breaks.

Simply, an event that should not be missed. Yet again - EBD Group organized an event that made it easy for delegates to identify and meet potential business opportunities. Asia Bio Partnering Forum was the missing link in a global offering of key meetings that are based and already happening in other geographies. ”

- Asia Bio Partnering Forum 2024 attendee

One-to-one meetings at Asia Bio Partnering Forum are powered by partneringONE®, the gold standard solution for your meetings.

1. Profile

Register, login and tell us about yourself and your company. Update your licensing opportunities so other participants can find you. Others will use your profile to evaluate your meeting requests.

2. Search

Search for companies, participants, and licensing opportunities of interest for one-to-one meetings.

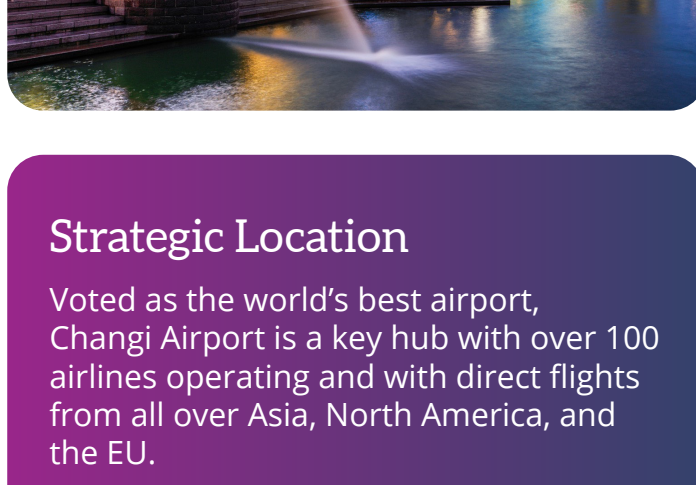

3. Meet

Accept or decline requests from others. Your meeting schedule will be based on your accepted requests and mutual availability.

Discover Singapore And The Asia-Pacific Region:

Efficient Infrastructure

Singapore's public transportation system makes getting around the city fast and convenient. With the Marina Bay Sands Convention Center just 16 minutes by train from the airport, you can be sure to get to one-to-one partnering right away!

Hosted at the Marina Bay Sands Convention Center

The location is home to Asia's leading destination for business, providing a world-class conference for you and your potential partner.

Strategic Location

Voted as the world's best airport, Changi Airport is a key hub with over 100 airlines operating and with direct flights from all over Asia, North America, and the EU.
