SHOW FEATURES

WoodWorks at BUILDEX

WoodWorks at BUILDEX offers an exceptional opportunity for all professionals of the built environment to immerse themselves in the latest innovations in wood-based design and construction. Discover 10 hours of accredited educational seminars, two mainstage Keynotes, direct access to technical expertise, and an expanded expo pavilion experience at BUILDEX.

Wed., February 11, 9:00am – 6:00pm
Thu., February 12, 9:00am – 4:00pm

ConTech Showcase

Powered by Prairies Proptech Association

The ConTech Showcase highlights innovative local technology firms revolutionizing the construction and real-estate industry with AI-driven solutions addressing workforce safety, productivity, cost management, and sustainability.

In this engaging fast-paced session, up to five local emerging firms will pitch their cutting-edge solutions to a panel of top local construction business leaders, including some of Canada's most innovative and fastest-growing companies. Attendees will have the opportunity to participate in the judging process and receive an exclusive invitation to connect with these forward-thinking tech firms and builders.

Wed., February 11, 2:45pm – 3:45pm

BUILDEX Offsite

NEW for 2026! Find a dedicated conference stream of content packed with prefabricated technical expertise complimented by offsite construction related exhibitors located throughout the trade show floor.

Wed., February 11, 9:00am – 6:00pm
Thu., February 12, 9:00am – 4:00pm

Public Sector Program

NEW for 2026! BUILDEX is a leading event for public sector professionals, from building inspectors and architects, to project managers and climate action professionals. Join BUILDEX to explore cutting-edge technologies, connect with like-minded experts, and enhance your knowledge through the accredited educational conference program.

Wed., February 11, 9:30am – 3:30pm
Thu., February 12, 9:30am – 4:00pm

VRCA Connector Lounge

The VRCA Connector Lounge is back! Get ready to experience a dynamic and interactive space on the BUILDEX tradeshow floor. Hosted by the Vancouver Regional Construction Association (VRCA) in partnership with the BC Construction Association (BCCA), this buzzing hub is the ultimate destination for industry professionals, leaders, and innovators to connect, network, and share insights.

Join the VRCA Connector Lounge to engage with industry peers, exchange ideas, and build business relationships. This vibrant, welcoming atmosphere is designed to inspire and energize.

Wed., February 11, 9:30am – 5:00pm
Thu., February 12, 9:30am – 4:00pm

Vancouver Regional Construction Association

Building it Better in BC

BC's building industry is levelling up thanks to industry front runners charting a course to better buildings. Join ZEIC as its building-related programs – ZEBx, B2E, CLF BC and the BCRA – showcase examples of building industry leadership. Hear best practices across development, design, and construction, and discover how decarbonization is a cornerstone of high-performance buildings.

Wed., February 11, 9:30am – 3:30pm
Thu., February 12, 9:30am – 4:00pm

BCIT Construct Cafe

Relax, recharge, and connect at the BCIT Construct Café, hosted by the BCIT School of Construction and the Environment. The Café is your spot for a morning break, lunch, or afternoon recharge. Also visit booth #1742 led by the BCIT Zero Energy/Emissions Building Learning Centre (ZEBLC) to learn about training, innovation, and sustainable building practices shaping the future of construction.

BCIT offers hands-on, practical education, and certificates, diplomas, microcredentials, bachelor's and master's degrees for skilled tradespersons, technicians, technologists, and professional engineers.

Wed., February 11, 9:30am – 5:00pm
Thu., February 12, 9:30am – 4:00pm

BUILDEX Main Stage

The BUILDEX Main Stage hosts the big conversations, our industry Keynotes, and community partners; all at the heart of the trade show floor. Hear from industry leaders, innovators and practitioners as they discuss a range of topics changing the way we design, construct, and manage Western Canada's real estate. All sessions on the BUILDEX Main Stage are free-to-attend for all pass types.

Wed., February 11, 9:30am – 6:00pm
Thu., February 12, 9:30am – 3:45pm

Innovation & Networking Hub

The Innovation & Networking Hub is designed to foster collaboration and showcase cutting-edge solutions. Located on the bustling trade show floor, find professionals, innovators, and thought leaders coming together to exchange ideas, explore new solutions, and build valuable connections. The Innovation & Networking Hub will feature a schedule of free to attend live demos, panel discussions and networking events.

Whether you're seeking new technologies, expert insights, or valuable connections, this hub offers what you need to drive your business forward and keep in touch of industry trends.

Wed., February 11, 9:30am – 3:30pm
Thu., February 12, 9:30am – 4:00pm

Property Management & Building Operations Learning Lab

Presented by Yardi

The Property Management & Building Operations Learning Lab Presented by Yardi is the home for educational conference content on existing assets. Find programming from the Professional Association of Managing Agents (PAMA) and leading industry experts in commercial and residential property management and building operations, right on the trade show floor.

Wed., February 11, 10:00am – 3:30pm Thu., February 12, 10:00am – 3:30pm

Workforce & Labour Neighbourhood

NEW for 2026! As Western Canada's largest forum connecting the whole building industry, BUILDEX is uniquely positioned to address the evolving workforce dynamic through the meaningful connections between employers, employees, government agencies, and industry partners. The Workforce & Labour Neighbourhood provides the go-to location at BUILDEX for workforce connections and conversations.

Wed., February 11, 9:30am – 6:00pm
Thu., February 12, 9:30am – 4:00pm

TECHCENTRIC Stage

TECHCENTRIC is the hub for innovation and technology at BUILDEX. Here, an open concept stage is set amongst emerging technology start-ups and internationally renowned technology providers. Head here for tech-centric seminars, product demonstrations and the ConTech Showcase.

Wed., February 11, 9:00am – 4:00pm
Thu., February 12, 9:00am – 3:30pm

SHOW FEATURES

ICBA CEO Breakfast

An exclusive gathering for BC's construction executives, presented by ICBA. Join industry leaders for a wholesome breakfast, networking and insights that will resonate long after the event concludes. Seating will be limited, and by invitation only from ICBA. It's the perfect way to kickoff BUILDEX Vancouver.

Wed., February 11, 7:30am – 9:30am

Speed Networking at BUILDEX

Back for 2026! The built environment's version of speed dating, this memorable fast-paced event introduces you to a wide range of building and construction industry professionals, so your networking time is optimized for efficiency and impact.

Wed., February 11, 11:15am – 12:15pm

Thu., February 12, 11:15am – 12:15pm

PAMA Networking Area

Hosted in partnership with the Professional Association of Managing Agents (PAMA), this networking area is the focal point on the show floor for residential property managers, building owners and operators.

Wed., February 11, 9:30pm – 6:00pm

Thu., February 12, 9:30pm – 4:00pm

VRCA Connector Lounge

The VRCA Connector Lounge is back! Get ready to experience a dynamic and interactive space on the BUILDEX tradeshow floor. Hosted by the Vancouver Regional Construction Association (VRCA) in partnership with the BC Construction Association (BCCA), this buzzing hub is the ultimate destination for industry professionals, leaders, and innovators to connect, network, and share insights.

Wed., February 11, 9:30am – 5:00pm

Thu., February 12, 9:30am – 4:00pm

Networking Mixers

All Hosted at the Innovation & Networking Hub (Booth #201)

WIN300 – Networking Mixer: Building Engineering and Science Professionals

This mixer is an opportunity for building engineering and building science professionals to connect with industry peers in a relaxed yet productive environment. Attendees will have the opportunity to network, exchange technical knowledge, and explore collaborative approaches to advancing sustainable and innovative building solutions.

Wed., February 11, 12:30pm – 1:00pm

WIN200 – Networking Mixer: Architecture Professionals

CO-HOSTED BY
AFBC

This mixer provides architecture professionals a relaxed yet productive environment to connect with industry peers. Attendees will network, exchange ideas, and explore collaborative opportunities while building valuable professional relationships.

Wed., February 11, 1:15pm – 1:45pm

WIN600 – Networking Mixer: Property Managers and Operators

CO-HOSTED BY
ENSPIRE
A BOMA Initiative
IFMA British Columbia Chapter

This mixer is an opportunity for property management and building operations professionals to connect with industry peers in a relaxed yet productive environment. Attendees will have the opportunity to network, share operational insights, and explore innovative solutions to common challenges facing today's property management landscape.

Wed., February 11, 2:00pm – 2:30pm

3rd Party Networking Events

BUILDEX 2026 PAMA Luncheon

Join PAMA at BUILDEX for a PAMA Luncheon where we will feature an exclusive interview with two extraordinary leaders in the property management industry. Lyn Stoll and Nizam Dossa are our Lifetime Achievement Award winners having demonstrated unparalleled commitment, vision, and influence throughout their careers in the property management industry. This is a unique opportunity to learn from the best, celebrate their incredible accomplishments, and connect with others in the industry. Tickets required.

Wed., February 11, 11:30am – 1:30pm

Mass Timber Afterparty

Join an exciting evening of networking and celebration at the Mass Timber AfterParty hosted by WoodWorks BC, following the conclusion of programming at BUILDEX.

Wed., February 11, 6:00pm – 9:00pm

SHINE Awards — Celebrating Interior Design Excellence in BC

The annual SHINE Awards of Excellence celebrates the exceptional work of British Columbia's Professional Registered Interior Designers across the commercial, hospitality, and residential sectors. The gala evening begins with a vibrant cocktail hour, followed by the awards ceremony, and concludes with a special celebratory afterparty. Join members of the Interior Designers Institute of BC, and industry supporters to honour the best in Interior Design at the lively SHINE Awards Gala. Tickets required.

Wed., February 11, 11:30am – 1:30pm

Canada – Italy Green Building Forum 2026

A place to connect and learn about what's new in the green building space. A bilateral hub to connect, network and do business with new clients and suppliers. Brought to you by the Italian Chamber in Canada - West. Join this free to attend event in the Innovation & Networking Hub (Booth 201).

Wed., February 11, 3:30pm – 4:30pm

2nd Annual Industry x Tech Mixer

Powered by the Prairies Proptech Association and ConstructIQ Advisory, the Industry x Tech Mixer is a relaxed, after-hours gathering of construction leaders and the technology community. The focus is simple: real conversations, shared context, and connection — without demos, sales decks, or pitches. Spaces limited — RSVP Required.

Wed., February 11, 6:30pm – 9:00pm
Rogue Kitchen & Wetbar Gastown

Executive Power Hour: Follow the Cash

Join 30 construction executives and leaders in operations, finance, and project delivery for an intimate peer discussion on cashflow — the fuel for growth. This session combines expert-panel insights, facilitated group roundtable, and networking to share lessons learned on how top firms manage it differently. Spaces Limited — RSVP Required

Thu., February 12, 5:30pm – 7:00pm

TIN500 – Networking Mixer: Housing Professionals and Advocates

This mixer brings together housing advocates and professionals in a relaxed yet productive environment to connect with industry peers. Attendees will network, exchange ideas, and connect with a wide range of building and construction industry professionals committed to addressing housing challenges, optimizing networking time for maximum efficiency and impact while advancing housing solutions.

Thu., February 12, 12:30pm – 1:00pm

TIN700 – Networking Mixer: Interior Designers

This mixer provides interior design professionals a relaxed yet productive environment to connect with industry peers. Attendees can network, exchange ideas, and explore collaborative opportunities while building valuable professional relationships.

Thu., February 12, 2:00pm – 2:30pm

Great value in every pass

All BUILDEX passes allow you to experience so much more than just the exhibits on the trade show floor. Be sure to plan your day to take advantage of the free educational content, exclusive keynotes, exciting product demonstrations and excellent networking events.

Innovation & Networking Hub

Drive your business forward and keep on top of industry trends at the BUILDEX Innovation & Networking Hub. It's your chance to uncover new technologies, expert insights, and valuable connections for your projects.

Wed., February 11

11:15am – 12:15pm

Thank you to our sponsors
and supporters

Get involved at BUILDEX!

BUILDEX events are Western Canada's largest exhibition and conferences connecting the whole building industry. We unite tradition and innovation to help shape the spaces of tomorrow.

Showcase your business, generate sales leads and build your brand during this exciting time of economic evolution and development. Adopt a long-term approach and plant the seeds for growing relationships with your target market.

Don't miss your chance to partake in BUILDEX Vancouver 2027 — the province's largest event of its kind and the forum for all professionals who design, build, and manage real estate.
