by informa...

Vancouver

February 11 & 12, 2026

Vancouver Convention Centre West

Building better together

Attendee Planner

@buildingscanada
#buildexvancouver
buildexvancouver.com

For more than 35 years, BUILDDEX events have been the form for continuing education, product sourcing, and industry connections for all professionals of Western Canada’s built environment.

In 2026, BUILDDEX Vancouver will unite a whole industry of professionals, from British Columbia’s Lower Mainland and US Pacific North West, to national and international markets.

In 2026, BUILDDEX will unite professionals across:

Architecture | Engineering | Contractors & Trades | Development
Property Management | Interior Design | Homebuilding & Renovation

from British Columbia, the Pacific Northwest, Western Canada, and nationally.

- 340+ Leading Manufacturers, Distributors & Suppliers
- 200+ Industry Speakers & Panelists
- 100+ Educational Seminars, Keynotes, Workshops, Product Demos, and Networking Opportunities
- 2 Days
- 1 Investment

Follow @BuildingsCanada on Social

Schedule of Events — Thursday, February 12

BUILDEX Offsite

Unlock the potential of offsite construction practices at BUILDEX. Find a dedicated conference stream of content packed with prefabricated technical expertise and dedicated show floor expo zone for offsite expertise.

NEW FOR 2026!

Wed., February 11

9:00am – 10:00am

W104 – Building Affordable Housing With Competitive Timber Solutions

Annabelle Hamilton, Technical Manager, Planning and Development, WoodWorks BC
Robin Petri, VP Development, Catalyst Community Developments Society
Noha Sedky, Principal, CitySpaces
Mania Hormozi, Associate Executive Director of Development, Community Land Trust

SESSION SPONSOR

STREAM SPONSOR

Franck Murat, Senior Advisor, Aliova Consulting Inc.
Michael Epp, Director of Housing Planning and Development, Metro Vancouver Housing

1:00pm – 2:00pm

W202 – Precast Concrete for Mid-Rise Residential in BC

Ray Li, Technical Representative, Western Canada, Canadian Precast/Prestressed Concrete Institute

PRESENTING PARTNER

Kelly Grubb, Principal, Structural Engineer, Grubb Engineering

1:00pm – 2:00pm

W106 - Scaling Housing With Prefabricated Timber: Regulations-Ready Mid-Rise Prototypes

Adrian Watson, Principal, Design Director, Perkins&Will
Yann Tregroat, Architect, Perkins&Will

Andrew Blackie, Structural Designer, ASPECT Structural Engineers
Solomon Fung, Associate Principal, Introba
Brent Olund, Partner, Principal, Credos
Halil Erhan, Professor of Interactive Systems and Design Director of Computational Design Lab, SFU School of Interactive Arts and Technology
Andrew Stiffman, Vice President, Construction Services, Kalesnikoff

SESSION SPONSOR

STREAM SPONSOR

2:30pm – 3:30pm

W107 – Tall Timber and Affordable Housing: A Case Study

Rhys Leitch, Principal, Integra Architecture
Sean Binns, Project Director, Kindred Construction
Harrison Glotman, Principal, Glotman Simpson Consulting Engineers

Thu., February 12

10:30am – 11:30am

T201 – Prefab at 837 Beatty: Washroom Wall Panels – There’s More to Prefab Than Most Realize

Kristof Hebel, Manager, Prefabrication + Offsite Construction, ETRO Construction

1:00pm – 2:00pm

T104 - Innovation, Collaboration, and Prefabrication: Managing Time, Cost, and Risk on High Performance

Alex Boston, Principal, Boston Consulting
Joe Geluch, CEO, Naikoon Contracting Ltd.
Mesa Sherriff, Associate Principal, ZGF Architects

PRESENTING PARTNER

Powered by Z&J

1:00pm – 2:00pm

T502 – Prefab Solutions for Transitional and Affordable Housing

Jackson Wyatt, CEO, CABN
Aaron Budd, Principal, Regenerative Practice, SvN Architects + Planners

1:00pm – 2:00pm

TM102 – Building Canada’s Future With Wood

Russell Hixson, Editor, SiteNews
Derek Newby, Principal, Managing Director, Perkins&Will
Robert Malczyk, Principal, Timber Engineering

2:30pm – 3:00pm

T203 – Prefab Pathways to the Missing Middle of the Missing Middle

Curtis Krahn, Founder, Principal, Synthesis Design Inc.
Julie Lepper, Senior Interior Designer, Synthesis Design Inc.
Pedro Serrano, Senior Design Manager, Synthesis Design Inc.
Joel Barrett, President, CEO, Barrett Group Custom Builders
Norm Morrison, President, CEO, AJIA Custom Prefab Homes

Public Sector Program

NEW FOR 2026!

BUILDEX is a leading event for public sector professionals, from building inspectors and architects, to project managers and climate action professionals. Join BUILDEX to explore cutting-edge technologies, connect with like-minded experts, and enhance your knowledge through the accredited educational conference program.

SUPPORTING ASSOCIATION

Public Sector Lounge

Enjoy access to our exclusive lounge, open to all public sector badge holders. Located directly on the trade show floor, the lounge offers a relaxing space with complimentary coffee every morning.

Wed., February 11

2:30 PM – 3:30 PM

W103 – Working With Building Officials and Building Permit Regulations

Trevor Welsh, President, Building Officials' Association of BC

SESSION SPONSOR

PRESENTING PARTNER

Thu., February 12

10:30 AM – 11:30 AM

T401 – VRCA Builders' Bench Live: The Municipal Election and the Future of Construction

Craig Larkins, Director, Advocacy & Engagement, Vancouver Regional Construction Association
Regina Marklund, Project Director, Turner Construction, Canada
Scott Adkins, Operations Manager, PCL Construction
Jeannine Martin, President, Vancouver Regional Construction Association
Sajjid Lakhani, Director, Government Relations and Strategy, Impact Public Affairs

PRESENTING PARTNER

1:00 PM – 2:00 PM

T202 – Strategic Facilities Planning for Emergency Health Services

Allison Savigny, Principal Facilities Planner, Inform Planning
Aishwarya Thabitha, Facilities Planner, Inform Planning
John LaRusic, Lead Consultant, Compass Healthcare Management
Michael Watibini, Senior Development Manager, City of Vancouver

Back for 2026! WoodWorks at BUILDEX

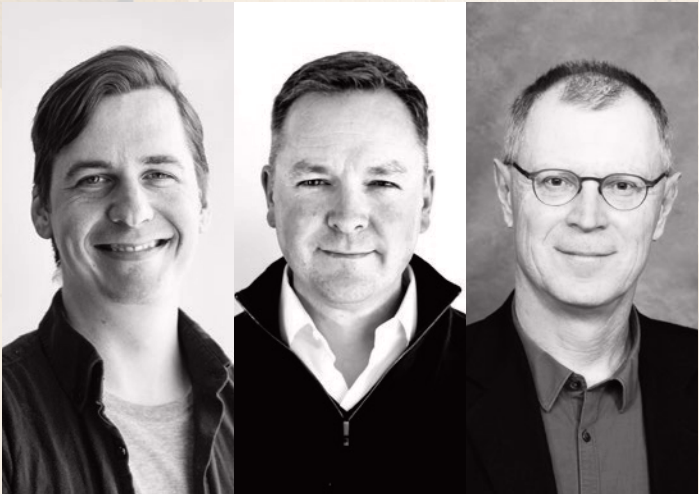

WoodWorks at BUILDEX offers an exceptional opportunity for all professionals of the built environment to immerse themselves in the latest innovations in wood-based design and construction. Discover 10 hours of accredited educational seminars, two mainstage Keynotes, direct access to technical expertise, and an expanded expo pavilion experience at BUILDEX Vancouver.

Main Stage Sessions Presented by WoodWorks

Wed., February 11 • 11:30am – 12:30pm
WM101 – Design and Construction of the PNE Freedom Mobile Arch: A Long-Span Timber Landmark

Simon Gallagher, Project Director, Nordic Structures
Mark Gaglione, Director, Construction Sciences, EllisDon
Robert Jackson, Partner, Fast + Epp

Thu., February 12 • 1:00pm – 2:00pm
TM102 – Building Canada’s Future With Wood

Russell Hixson, Editor, SiteNews
Derek Newby, Principal, Managing Director, Perkins&Will
Robert Malczyk, Principal, Timber Engineering

WoodWorks Pavilion on the Trade Show Floor

Visit the WoodWorks Pavilion on the expo floor for direct access to technical expertise from suppliers, manufacturers, and wood engineering consultants, including:

- SIGA North America – Booth #1423

Highwood Timber – Booth #1421

Renewal Development – Booth #1417

Forest Stewardship Council – Booth #1522

Mercer Mass Timber – Booth #1520

Sustainable Forestry Initiative – Booth #1516
- Woodtone – Booth #1521

Nordic Structures – Booth #1519

Simpson Strong-Tie – Booth #1517

Taiga Buliding Products Ltd – Booth #1622

Mitek Canada Inc. - Booth #1620

Kalesnikoff Mass Timber – Booth #1618
- WoodWorks – Booth #1616

BarrierTek – Booth #1623

Ron Anderson & Sons Ltd. - Booth #1621

Parallel Lumber Group – Booth #1617

MOSO Bamboo Canada – Booth #1716

Discover 10 hours of accredited educational seminars, two mainstage Keynotes, direct access to technical expertise, and an expanded expo pavilion experience at BUILDEX.

Wed., February 11, 9:00am – 6:00pm
Thu., February 12, 9:00am – 4:00pm

Public Sector Program

NEW for 2026! BUILDEX is a leading event for public sector professionals, from building inspectors and architects, to project managers and climate action professionals. Join BUILDEX to explore cutting-edge technologies, connect with like-minded experts, and enhance your knowledge through the accredited educational conference program.

Wed., February 11, 9:30am – 3:30pm
Thu., February 12, 9:30am – 4:00pm

Contech Showcase

Powered by Prairies PropTech Association

The Contech Showcase highlights innovative local technology firms revolutionizing the construction and real-estate industry with AI-driven solutions addressing workforce safety, productivity, cost management, and sustainability.

In this engaging fast paced session, up to five local emerging firms will pitch their cutting-edge solutions to a panel of top local construction business leaders, including some of Canada's most innovative and fastest-growing companies. Attendees will have the opportunity to participate in the judging process and receive an exclusive invitation to connect with these forward-thinking tech firms and builders.

Wed., February 11, 2:45pm – 3:45pm

VRCA Connector Lounge

The VRCA Connector Lounge is back! Get ready to experience a dynamic and interactive space on the BUILDEX tradeshow floor. Hosted by the Vancouver Regional Construction Association (VRCA) in partnership with the BC Construction Association (BCCA), this buzzing hub is the ultimate destination for industry professionals, leaders, and innovators to connect, network, and share insights.

Join the VRCA Connector Lounge to engage with industry peers, exchange ideas, and build business relationships. This vibrant, welcoming atmosphere is designed to inspire and energize.

Wed., February 11, 9:30am – 5:00pm
Thu., February 12, 9:30am – 4:00pm

BUILDEX Offsite

NEW for 2026! Unlock the potential of offsite construction practices at BUILDEX. Find a dedicated conference stream of content packed with prefab technical expertise and dedicated show floor expo zone for offsite expertise.

Wed., February 11, 9:00am – 6:00pm
Thu., February 12, 9:00am – 4:00pm

Building it Better in BC

BC's building industry is levelling up thanks to industry front runners charting a course to better buildings. Join ZEIC as its building-related programs – ZEBx, B2E, CLF BC and the BCRA – showcase examples of building industry leadership. Hear best practices across development, design, and construction, and discover how decarbonization is a cornerstone of high-performance buildings.

Wed., February 11, 9:30am – 3:30pm
Thu., February 12, 9:30am – 4:00pm

BCIT Construct Cafe

Relax, recharge, and connect at the BCIT Construct Café, hosted by the BCIT School of Construction and the Environment. The Café is your spot for a morning break, lunch, or afternoon recharge. Also visit booth #1742 led by the BCIT Zero Energy/Emissions Building Learning Centre (ZEBLC) to learn about training, innovation, and sustainable building practices shaping the future of construction.

BCIT offers hands-on, practical education, and certificates, diplomas, microcredentials, bachelor's and master's degrees for skilled tradespersons, technicians, technologists, and professional engineers.

Wed., February 11, 9:30am – 5:00pm
Thu., February 12, 9:30am – 4:00pm

Innovation & Networking Hub

The Innovation & Networking Hub is designed to foster collaboration and showcase cutting-edge solutions. Located on the bustling trade show floor, find professionals, innovators, and thought leaders coming together to exchange ideas, explore new solutions, and build valuable connections. The Innovation & Networking Hub will feature a schedule of free to attend live demos, panel discussions and networking events.

Whether you're seeking new technologies, expert insights, or valuable connections, this hub offers what you need to drive your business forward and keep in touch of industry trends.

Wed., February 11, 9:30am – 3:30pm
Thu., February 12, 9:30am – 4:00pm

BUILDEX Main Stage

The BUILDEX Main Stage hosts the big conversations, our industry Keynotes, and community partners; all at the heart of the trade show floor. Hear from industry leaders, innovators and practitioners as they discuss a range of topics changing the way we design, construct, and manage Western Canada's real estate. All sessions on the BUILDEX Main Stage are free-to-attend for all pass types.

Wed., February 11, 9:30am – 6:00pm
Thu., February 12, 9:30am – 3:45pm

Property Management Learning Lab

Presented by Yardi

The Property Management Learning Lab Presented by Yardi is the home for educational conference content on existing assets. Find programming from the Professional Association of Managing Agents (PAMA) and leading industry experts in commercial and residential property management and building operations, right on the trade show floor.

Wed., February 11, 10:00am – 3:30pm
Thu., February 12, 10:00am – 3:30pm

Workforce & Labour Neighbourhood

NEW for 2026! As Western Canada's largest forum connecting the whole building industry, BUILDEX is uniquely positioned to address the evolving workforce dynamic through the meaningful connections between employers, employees, government agencies, and industry partners. The Workforce & Labour Neighbourhood provides the go-to location at BUILDEX for workforce connections and conversations.

Wed., February 11, 9:30am – 6:00pm
Thu., February 12, 9:30am – 4:00pm

TECHCENTRIC Stage

TECHCENTRIC is the hub for innovation and technology at BUILDEX. Here, an open concept stage is set amongst emerging technology start-ups and internationally renowned technology providers. Head here for tech-centric seminars, product demonstrations and the Contech Showcase.

Wed., February 11, 9:00am – 4:00pm
Thu., February 12, 9:00am – 3:30pm

BUILDEX Industry Networking Reception

Reconnect with industry peers and make new contacts as professionals from all sectors of the building industry come together at the BUILDEX Industry Networking Reception. Head to the Central Bar for complimentary drinks, live music and networking.

Wed., February 11, 4:30pm – 6:00pm

ICBA CEO Breakfast

An exclusive gathering for BC’s construction executives, presented by ICBA. Join industry leaders for a wholesome breakfast, networking and insights that will resonate long after the event concludes. Seating will be limited, and by invitation only from ICBA. It’s the perfect way to kickoff BUILDEX Vancouver. Details coming soon.

Wed., February 11, 7:30am – 9:30am

Speed Networking at BUILDEX

Back for 2026! The built environment’s version of speed dating, this memorable fast-paced event introduces you to a wide range of building and construction industry professionals, so your networking time is optimized for efficiency and impact.

Wed., February 11, 11:15am – 12:15pm
Thu., February 12, 11:15am – 12:15pm

VRCA
CONNECTOR
LOUNGE

IN PARTNERSHIP WITH 

VRCA Connector Lounge

Thu., February 12, 9:30am – 4:00pm

NEW FOR 2026!

WIN300 – Networking Mixer: Building Engineering and Science Professionals

This mixer is an opportunity for building engineering and building science professionals to connect with industry peers in a relaxed yet productive environment. Attendees will have the opportunity to network, exchange technical knowledge, and explore collaborative approaches to advancing sustainable and innovative building solutions.

Wed., February 11, 12:30pm – 1:00pm

WIN200 – Networking Mixer: Architecture Professionals

This mixer provides architecture professionals a relaxed yet productive environment to connect with industry peers. Attendees will network, exchange ideas, and explore collaborative opportunities while building valuable professional relationships.

Wed., February 11, 1:15pm – 1:45pm

WIN600 – Networking Mixer: Property Managers and Operators

This mixer is an opportunity for property management and building operations professionals to connect with industry peers in a relaxed yet productive environment. Attendees will have the opportunity to network, share operational insights, and explore innovative solutions to common challenges facing today’s property management landscape.

Wed., February 11, 2:00pm – 2:30pm

TIN500 – Networking Mixer: Housing Professionals and Advocates

This mixer brings together housing advocates and professionals in a relaxed yet productive environment to connect with industry peers. Attendees will network, exchange ideas, and connect with a wide range of building and construction industry professionals committed to addressing housing challenges, optimizing networking time for maximum efficiency and impact while advancing housing solutions.

Thu., February 12, 12:30pm – 1:00pm

TIN700 – Networking Mixer: Interior Designers

This mixer provides interior design professionals a relaxed yet productive environment to connect with industry peers. Attendees can network, exchange ideas, and explore collaborative opportunities while building valuable professional relationships.

Thu., February 12, 2:00pm – 2:30pm

3rd Party Networking Events

Mass Timber Afterparty 

Join an exciting evening of networking and celebration at the Mass Timber AfterParty hosted by WoodWorks BC, following the conclusion of programming at BUILDEX.

Why Attend?

- **Network with Industry Experts:** Connect with professionals, innovators, and enthusiasts from the mass timber sector.
- **Learn and Share:** Engage in insightful conversations about the latest trends, projects, and advancements in mass timber construction.
- **Networking Opportunities:** Build valuable connections and explore potential collaborations with peers.
- **Enjoy a Relaxing Atmosphere:** Join us for a drink and appetizers!

Don’t miss out on this fantastic opportunity to mingle with like-minded professionals and gain new insights into the world of mass timber. Mark your calendars and join us for an evening of inspiration, knowledge-sharing, and community-building!

Wed., February 11, 6:00pm – 9:00pm

Photo credit: Forestry Innovation Investment

All BUILDEX passes allow you to experience so much more than just the exhibits on the floor. Be sure to plan your day to take advantage of the free educational content, exclusive industry keynotes and exciting product demonstrations.

Property Management Learning Lab

Presented by Yardi

Find programming from the Professional Association of Managing Agents (PAMA) and leading industry experts in commercial and residential property management and building operations, right on the trade show floor at the Property Management Learning Lab Presented by Yardi.

Wed., February 11

10:00am – 11:00am

WP600 – Top 8 Strata Property Division CRT Cases

Veronica Franco, Partner, Co-Chair of Strata Property Group, Clark Wilson LLP

Amanda Magee, Associate Lawyer, Lesperance Mendes Lawyers

PRESENTING PARTNER

11:30am – 12:30pm

WP601 – Navigating Section 71: Significant Changes to Common Property and Common Assets in BC Strata

Sat Harwood, Managing Partner, Lesperance Mendes Lawyers

PRESENTING PARTNER

Thu., February 12

10:00am – 11:00am

TP600 – Depreciation Reports: An Overview of the Changes to the Strata Property Act – July 1, 2025

Jennifer Neville, Partner, Hamilton & Company
Guillaume Vadeboncouer, Senior Manager, Building Science Division, WSP Canada Inc.

SESSION SPONSOR

PRESENTING PARTNER

11:30am – 12:30pm

TP601 – Tariffs, Change, and Price Uncertainty

Polina Furtula, Senior Lawyer, Westpoint Law Group
Yang Fei, President, Strata Engineering

PRESENTING PARTNER

1:00pm – 1:30pm

TP602 – Smarter Property Operations: Managing Maintenance, Capital Projects, and Budgets in One Platform (Yardi)

Kiera Sinnamon, Account Executive, Canada, Yardi

SESSION SPONSOR

2:30pm – 3:30pm

T604 – Why and What Next? Sudden and Accidental Building Water Loss Causation and Remediation

Grant Elligsen Practice Lead, Remediation, Environmental, Health & Safety, 30 Forensic Engineering

Mitchell Albert Associate, Materials & Product Failure, 30 Forensic Engineering

Madison Polgar Associate, Remediation, 30 Forensic Engineering

PRESENTING PARTNER

Innovation & Networking Hub

Drive your business forward and keep on top of industry trends at the BUILDEX Innovation & Networking Hub. It's your chance to uncover new technologies, expert insights, and valuable connections for your projects.

Wed., February 11
