Sustainable, safe and loaded with even more value this year, the Canadian Apartment Investment Conference powers you and your team with deeper access to compelling topics, market intelligence on demand that fits your schedule, and multiple opportunities for connecting in a networking-rich environment between owners, developers, investors, lenders, lawyers, brokers and other intermediaries.

WHAT IS THE INDUSTRY SAYING ABOUT THE VIRTUAL EXPERIENCE?

The feedback shows that real estate professionals are adapting to and very surprised at their overall experience with virtual Forums and conferences and the thought leadership, market intelligence and networking value and benefits.

"The technology was amazing. There were games, networking, breakout rooms a database of important information. I don't think I even found all of the features that were available. It really was very good and I would prefer to have had a tutorial to learn where things were and how to access them a week before the next event."

"Given this has been a 'needle moving' year for everyone the content of this Forum is one of the most impactful we've had in years. Really enjoying and benefiting from the content and insights. Thanks to all."

"The quality of topics and speakers was excellent. The platform and support was easy and engaging. Next best thing besides in-person. Well done."

"Congratulations for an outstanding virtual conference that provided a lot of value to the participants and attendees. I've had very good feedback from my broker team that attended."

"Excellent informative event, the market insights were invaluable and it was great to see a huge array of experts giving their views of the present challenging times and future prospects for their prospective businesses."
