

Chemical Industry Regulations (CIR) | 15 – 17 September 2020 | Sheraton Airport Hotel Brussels, Belgium

This year, CIR is going back to its traditional format! Join us in Brussels this September and hear the latest from the chemical regulatory landscape with updates on BPR, REACH and the 1107/09. The European Commission, ECHA, AGES, INIA, BvL and more Member States will be discussing the future of Chemical Regulations: substance strategies, compliance checks, polymers and micro-plastics, concerns on renewals, approvals, restriction, Endocrine Disruptors and dossier updates, and the latest feedback on 1107/09. Check out our website for more information:
