

SESSIONS

IMIPOWER LEADERS SUMMIT: LEADERSHIP - VISION - IMPACT - 14/06/
2021

IM|Power Leaders

April / May / June - Virtual events | CET
20-22 October 2021, The Grimaldi Forum,
Monaco

COMBINED KEYNOTE - Dear CEO... Let's discuss climate leadership. How leaders are driving their ESG strategies in the absence of global standards

09:00 - 09:30

Leaders' Keynote Vision 2021 - Navigating a global economy in (R)Evolution

09:40 - 09:50

How must investment management protect its millions of savers and find resilience and opportunity amid global economic uncertainty and disruption - What kind of financial businesses and partnerships are now set to succeed?

10:00 - 10:30

Institutional leaders - How major institutional investors and advisors are rethinking their approach to portfolio construction, asset allocation and ESG post-COVID

10:40 - 11:10

Democratisation of Finance Interview Series - Building a new digital infrastructure strategy fit for a new business era of speed, agility and transparency for the customer and regulator

11:20 - 11:30

How has the pandemic accelerated partnership strategies for the largest global financial institutions?

11:40 - 12:10

Leaders on how the most successful and distinctive corporate ESG strategies will be defined by the regulators, market and investors in 2021

12:20 - 12:50
