
Registration

09:45 - 10:30
Main Conference

Chair's opening remarks

10:30 - 10:40
Main Conference

Participants

Georgina Kon - Partner, Linklaters

Principal elements of technology contracts

10:40 - 11:20
Main Conference

- What makes IT contracts special?
- Contract and the common law
- Standard and negotiated terms
- International commercial practice

Participants

Rob Sumroy - Partner and Head of Technology and Outsourcing, Slaughter and May

Diversity within IT Contracts: Unique Features and Common Issues

11:20 - 12:00
Main Conference

- Qualified obligations (reasonable, all reasonable and best endeavours)
- Customer dependencies and relief mechanisms
- Milestones and Performance standards (KPIs, service levels and service credits)
- Exit management

Participants

Georgina Kon - Partner, Linklaters

Networking Break

12:00 - 12:20
Main Conference

IP in Software and IT agreements

12:20 - 13:10
Main Conference

- How IP is being embedded in transactions and how it related to software
- IP issues in IT product development
- Practical challenges

Participants

Cerys Wyn Davies - Partner, Pinsent Masons

Lunch

13:10 - 14:10
Main Conference

Limitations of liability

14:10 - 15:00
Main Conference

- Enforceability of exclusion and limitation clauses
- Excluding liability for misrepresentation
- Types of losses commonly excluded or limited
- How to draft and negotiate exclusion and limitation clauses

Participants

Joel Harrison - Partner, Gibson Dunn

Protecting Data in a Commercial Contract

15:00 - 15:40
Main Conference

- Personal data and market data
- Standard clauses and non-standard clauses (high level so not to overlaps with Bridget – address personal and non-personal data)
- liability (what's market for data breach? Should I accept carve out for loss of data/ loss of use? Do I need an indemnity?)
- Confidentiality (should it be unlimited? Is personal data confidential data and vice versa for purposes of negotiating liability/ indemnity provisions?)
- Security provisions (can I agree to limiting data breach to security provisions as stated in contract?)
- The role of insurance and how to address in the contract

Participants

Greg Palmer - Counsel, Linklaters

A Mock Debate: Negotiating Contracts

16:00 - 16:50
Main Conference

Participants

Joel Harrison - Partner, Gibson Dunn

Rob Sumroy - Partner and Head of Technology and Outsourcing, Slaughter and May

Chair's closing remarks

16:50 - 17:05
Main Conference

Participants

Georgina Kon - Partner, Linklaters

College Bar Opens

18:30 - 19:30
Main Conference

BBQ

19:30 - 20:30
Main Conference

Quiz Night

20:30 - 22:00
Main Conference

SCHEDULE

IT LAW SUMMER SCHOOL: DAY 1 - CORE CONCEPTS AND KEY CONTRACTS - 01/08/
2022

IT Law Summer School

1 - 5 August 2022
Downing College
Cambridge University, United
Kingdom

TIME	MAIN CONFERENCE
09:00	09:45 - Registration
10:00	10:30 - Chair's opening remarks 10:40 - Principal elements of technology contracts
11:00	11:20 - Diversity within IT Contracts: Unique Features and Common Issues
12:00	12:00 - Networking Break 12:20 - IP in Software and IT agreements
13:00	13:10 - Lunch
14:00	14:10 - Limitations of liability

19:00	19:30 - BBQ
20:00	20:30 - Quiz Night

SESSIONS

IT LAW SUMMER SCHOOL: DAY 2 - CONTRACTS, COPYRIGHT AND COMPETITION -
02/08/2022

IT Law Summer
School

1 - 5 August 2022
Downing College
Cambridge University, United
Kingdom

Chair's opening remarks

09:00 - 09:10
Main Conference Day 2

Participants

Joel Harrison - Partner, Gibson Dunn

Technology Contracts

09:10 - 10:00
Main Conference Day 2

- RFIs, PQQs and ITNs: the alphabet soup of technology procurement processes
- Where do IT projects come from in the first place?
- Outline of a typical procurement
- The contract negotiation process and the role of the legal adviser

Participants

Kit Burden - Partner, DLA Piper

Localisation to English law: what it is, why it is important & common pitfalls

10:00 - 11:00
Main Conference Day 2

- Localisation versus mandatory law review
- Common problems:
 - Localising from the US
 - Localising from the civil law
- Key localisation clauses:
 - Warranties
 - Limitations
 - Exclusions

Participants

Harry Small - Partner, Baker McKenzie

Networking Break

11:00 - 11:20
Main Conference Day 2

Competition law and IT – an international perspective

11:20 - 12:35
Main Conference Day 2

- Competition law in the IT sector: why is it special?
- Fundamentals of the relationship between competition law and IP rights
- Where, when and how do issues arise?
- Contracts, tendering and licensing
- Refusals to license, dominance and related problems
- The Digital Markets Act and other new issues

Participants

Sophie Lawrance - Partner, Bristows

Software copyright and licensing

12:35 - 13:35
Main Conference Day 2

- Specific copyright issues with software
- The Software Protection Directive
- What is protected by copyright? – SAS v World Programming
- Copyright licensing issues (other than open source)
- UsedSoft v Oracle

Participants

Mark Taylor - Partner, Osborne Clarke LLP

Lunch

13:35 - 14:35
Main Conference Day 2

Top 10 Worst Telecoms Regulatory Decisions in the World

14:35 - 15:25
Main Conference Day 2

- What we can learn from bad regulatory decisions
- What does best practice look like?
- What *should* be regulated and why?
- What *should not* be regulated?

Participants

Mike Conradi - Partner, DLA Piper LLP

Public Procurement

15:25 - 16:15
Main Conference Day 2

Participants

Roger Bickerstaff - Partner, Bird & Bird

Chair's closing remarks

16:15 - 16:25
Main Conference Day 2

Participants

Joel Harrison - Partner, Gibson Dunn

Meet up at the Porter's Lodge for Guided Waking Tour of Cambridge

18:35 - 20:05

Dinner

20:05 - 21:05

SCHEDULE

IT LAW SUMMER SCHOOL: DAY 2 - CONTRACTS, COPYRIGHT AND COMPETITION -
02/08/2022

IT Law Summer
School

1 - 5 August 2022
Downing College
Cambridge University, United
Kingdom

TIME	MAIN CONFERENCE DAY 2
09:00	09:00 - Chair's opening remarks 09:10 - Technology Contracts
10:00	10:00 - Localisation to English law: what it is, why it is important & common pitfalls
11:00	11:00 - Networking Break 11:20 - Competition law and IT – an international perspective
12:00	12:35 - Software copyright and licensing
13:00	13:35 - Lunch
14:00	14:35 - Top 10 Worst Telecoms Regulatory Decisions in the World
15:00	15:25 - Public Procurement
16:00	16:15 - Chair's closing remarks
17:00	
18:00	18:35 - Meet up at the Porter's Lodge for Guided Waking Tour of Cambridge
19:00	
20:00	20:05 - Dinner

Chair's opening remarks

09:00 - 09:10
Main Conference Day 3

Participants

Harry Small - Partner, Baker McKenzie

Rescuing IT projects

09:10 - 09:50
Main Conference Day 3

Participants

Harry Small - Partner, Baker McKenzie

IT law wrinkles in corporate transactions

09:50 - 10:40
Main Conference Day 3

- Timetable and responsibilities
- What matters: due diligence
- Hardware and software licences - off the shelf to open-source
- Data
- IT should be fine: risk allocation and exposure
- Sharing IT around: transitional services and migration
- When IT hits the fan: third party consents and other dependencies

Participants

Mark Crichard - Partner, Reynolds Porter Chamberlain

Networking Break

10:40 - 11:00
Main Conference Day 3

Outsourcing and offshoring

11:00 - 12:00
Main Conference Day 3

- What is outsourcing?
- The commercial environment: outsourcing market trends
- How are outsourcing deals structured? What documents are necessary?
- Risk and value for money: getting the right balance
- Some common areas of debate - transition, service levels & credits and exit management
- Transformational issues

Participants

Richard Cumbley - Partner, Linklaters

Outsourcing practical

12:00 - 12:40
Main Conference Day 3

A case study and negotiation practical: in groups, looking at some typical clauses from an outsourcing agreement. This session will build on the issues analysed in the session "Outsourcing & offshoring" and the previous days' liability and exclusion clauses session

Participants

Richard Cumbley - Partner, Linklaters

Lunch

12:40 - 13:40
Main Conference Day 3

Cloud computing

13:40 - 15:10
Main Conference Day 3

- What is cloud computing and why is there so much fuss about it now?
- Contracting in the cloud: what should you watch out for?
- Can you control where and how your data is processed in cloud environments and does it matter anyway?

Participants

Christopher Millard - Professor of Privacy and Information Law & Senior Counsel, Queen Mary University of London & Bristows

Networking Break

15:10 - 15:30
Main Conference Day 3

Applications development

15:30 - 16:20
Main Conference Day 3

- Shape of a development contract
- Development methodologies - Waterfall v Agile
- Flexible contracting for agile development
- Commercial and privacy issues

Participants

Laura Houston - Partner, Slaughter & May

Chair's closing remarks

16:20 - 16:30
Main Conference Day 3

Participants

Harry Small - Partner, Baker McKenzie

General Q&A with Harry Small on IT Law

16:30 - 17:00
Main Conference Day 3

An optional 30 minute Q&A where attendees can put any questions they may have about IT Law to Harry.

Participants

Harry Small - Partner, Baker McKenzie

Meet-up at the Porter's Lodge for Punting on the Cambridge River

18:20 - 20:05

Dinner

20:05 - 21:05

SCHEDULE

IT LAW SUMMER SCHOOL: DAY 3 - CORPORATES, CLAIMANTS & CLOUDS - 03/08/
2022

IT Law Summer School

1 - 5 August 2022

19:00	
20:00	20:05 - Dinner

(Optional) Data Protection Basics

08:00 - 09:00

Main Conference Day 4

A refresh on core data protection concepts.

Participants

Bridget Treacy - Partner, Previously at Hunton Andrews Kurth LLP

Chair's opening remarks

09:00 - 09:15

Main Conference Day 4

Participants

Bridget Treacy - Partner, Previously at Hunton Andrews Kurth LLP

GDPR's territorial scope and the roles of controllers and processors

09:15 - 09:45

Main Conference Day 4

Participants

Christopher Millard - Professor of Privacy and Information Law & Senior Counsel, Queen Mary University of London & Bristows

Accountability and the Role of DPIAs under the GDPR

09:45 - 10:30

Main Conference Day 4

- Overview of the GDPR's Accountability Principle
- Data protection compliance programmes: 10 key elements
- Role of Data Protection Impact Assessments

Participants

Ellis Parry - Director, Data Privacy Compliance Solutions

Break

10:30 - 10:45

Main Conference Day 4

How the UK GDPR regulates international data transfers

10:45 - 11:30

Main Conference Day 4

- General restriction on data transfers, and 'onward transfers'
- Adequacy
- Appropriate safeguards
 - Standard Contractual Clauses
 - Binding Corporate Rules
 - Privacy Shield
 - Certifications and Codes of Conduct
- Derogations
- Impact of Brexit

Participants

Hannah Crowther - Senior Associate, Bristows

Case Study: International Data Transfers: Navigating the new SCCs and Schrems II under the GDPR

11:30 - 12:30

Main Conference Day 4

- New Standard Contractual Clauses
- Schrems II
- EDPB Recommendations and European Essential Guarantees
- Data Transfer Risk Assessments
- Case study

Participants

Hannah Crowther - Senior Associate, Bristows

Bridget Treacy - Partner, Previously at Hunton Andrews Kurth LLP

Lunch

12:30 - 13:30

Main Conference Day 4

GDPR Compliance: Subject Access Requests

13:30 - 14:15

Main Conference Day 4

- Key essentials for responding to SARs
- What the ICO expects
- Practical insights and strategic considerations

Participants

Andrew Lall - Head of Privacy, NatWest

Adtech

14:15 - 15:00

Main Conference Day 4

- What is AdTech and how does it work?
- How do the cookies rules and GDPR apply?
- Latest developments

Participants

Mark Watts - Partner, Bristows

Networking Break

15:00 - 15:15

Main Conference Day 4

Enforcement under the UK GDPR

15:15 - 16:00

Main Conference Day 4

- ICO's Enforcement Strategy
- Civil monetary penalties: law and procedure
- Enforcement Notices
- Liaison with other regulators

Participants

Rosemary Jay - Senior Consultant Attorney, Hunton & Williams

Cybersecurity and breach under the GDPR

16:00 - 17:00

Main Conference Day 4

- Identifying a 'personal data breach'
- Breach reporting requirements
 - ICO, other DPAs, individuals
- Working with client to manage incident
 - Engaging forensic investigators
 - Managing communications and PR
 - Ongoing ICO engagement
 - Risk of claims
- Case study

Participants

Georgina Kon - Partner, Linklaters

Chair's closing remarks

17:00 - 17:05

Main Conference Day 4

Participants

Bridget Treacy - Partner, Previously at Hunton Andrews Kurth LLP

Drinks Reception

19:00 - 20:00

Main Conference Day 4

SESSIONS

IT LAW SUMMER SCHOOL: DAY 4 - DATA PROTECTION - 04/08/2022

IT Law Summer School

1 - 5 August 2022

Downing College

Cambridge University, United Kingdom

Gala Dinner in the Dining Room (formal dress encouraged)

20:00 - 22:00

Main Conference Day 4

SCHEDULE

IT LAW SUMMER SCHOOL: DAY 4 - DATA PROTECTION - 04/08/2022

IT Law Summer School

1 - 5 August 2022
Downing College
Cambridge University, United Kingdom

SESSIONS

IT LAW SUMMER SCHOOL: DAY 5 - ECOMMERCE, COMMUNICATIONS & CONVERGENCE - 05/08/2022

IT Law Summer
School

1 - 5 August 2022
Downing College
Cambridge University, United
Kingdom

Chair's opening remarks

09:10 - 09:20
Main Conference Day 5

Participants

Christopher Millard - Professor of Privacy and Information Law & Senior Counsel, Queen Mary University of London & Bristows

E-commerce and Distance Selling

09:20 - 10:10
Main Conference Day 5

- Information requirements
- Cancellation rights
- Relationship with other consumer rights
- Practical difficulties and solutions
- Children online

Participants

Adrian Sim - Partner, Bristows

Fintech and Blockchain

10:10 - 11:00
Main Conference Day 5

- Introduction to Fintech
 - Risk of fintech
 - Legal issues
 - Contacts, Consumer and Tech
- Introduction to Blockchain
 - What is blockchain?
 - Use cases
 - Legal landscape
 - Legal issues and practical considerations

Participants

Sue Mclean - Partner, Baker McKenzie

Networking Break

11:00 - 11:20
Main Conference Day 5

Here, There, or Everywhere? Cross-border liability and the internet

11:20 - 12:20
Main Conference Day 5

- World-wide availability and worldwide liability
- Country of origin, country of receipt, or targeting?
- Territoriality, applicable law, jurisdiction
- Should we worry about foreign criminal laws?

Participants

Graham Smith - Of Counsel, Bird & Bird

Lunch

12:20 - 13:00
Main Conference Day 5

Social Media and Online Harms

13:00 - 13:50
Main Conference Day 5

- Do social media present new liability challenges?
- When might service providers be liable?
- Exemptions to liability of online intermediaries
- Site blocking injunctions
- Online defamation - the latest developments
- Managing risk - practical advice on minimising claims and avoiding liability
- Proposals to regulate online harms

Participants

Julia Hörnle - Professor of Internet Law, Queen Mary, University of London

Employees, the Internet, and Working from Anywhere

13:50 - 14:40
Main Conference Day 5

- The internet and the workplace
- Human rights issues
- Data protection
- Interception of employee communications for business purposes
- Social networking by employees
- Social networking and "netreps"
- Impact of the COVID-19 pandemic

Participants

Sean Illing - Senior Associate, Lewis Silkin

Networking Break

14:40 - 15:00
Main Conference Day 5

AI, the Internet of Things, and Robots

15:00 - 15:50
Main Conference Day 5

- AI hype vs reality and the urge to regulate
- The Internet of Everything
- Inside a smart home – unpacking the 'layered legals'
- What is a robot anyway?
- Responsibility and liability in complex cyber-physical systems
- The EU's proposed Artificial Intelligence Act

Participants

Christopher Millard - Professor of Privacy and Information Law & Senior Counsel, Queen Mary University of London & Bristows

Prize Draw and Chair's closing remarks

15:50 - 16:00
Main Conference Day 5

Participants

Christopher Millard - Professor of Privacy and Information Law & Senior Counsel, Queen Mary University of London & Bristows
