CAMERA AND SOUND

Before the conference starts, it's a good idea to check your audio and camera

If you run into technical problems at any point throughout the conference, or if you're just not sure how to do something, you can get in touch using the helpdesk or by emailing Alessandra.DeMaria@informa.com.

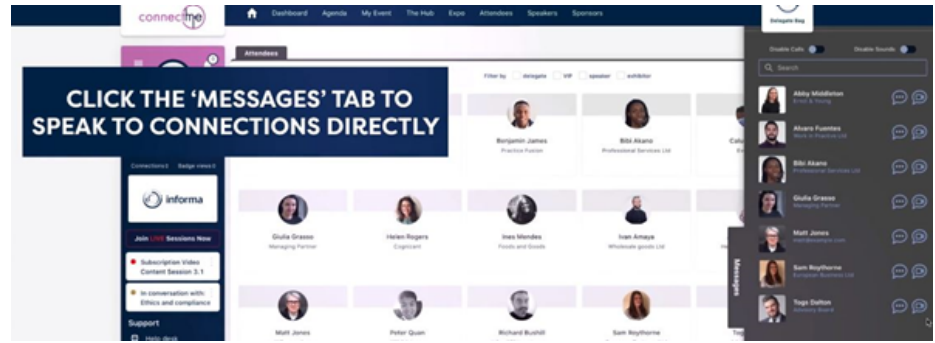

CONNECTIONS AND MEETINGS

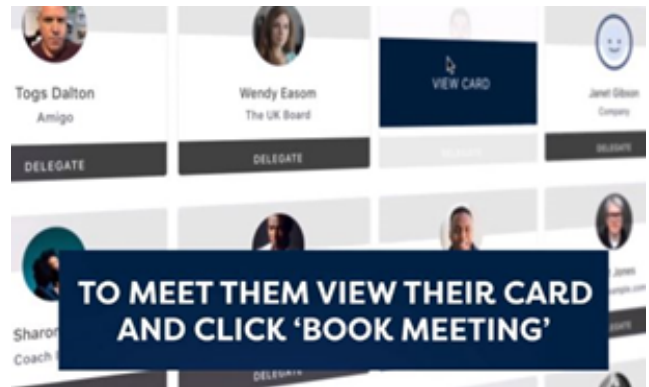

You can talk directly with other attendees, the speakers and the event partners.

You can connect via text message or video call by clicking on the 'Messages' pull-out sidebar (little people icon that appears to the right on your screen).

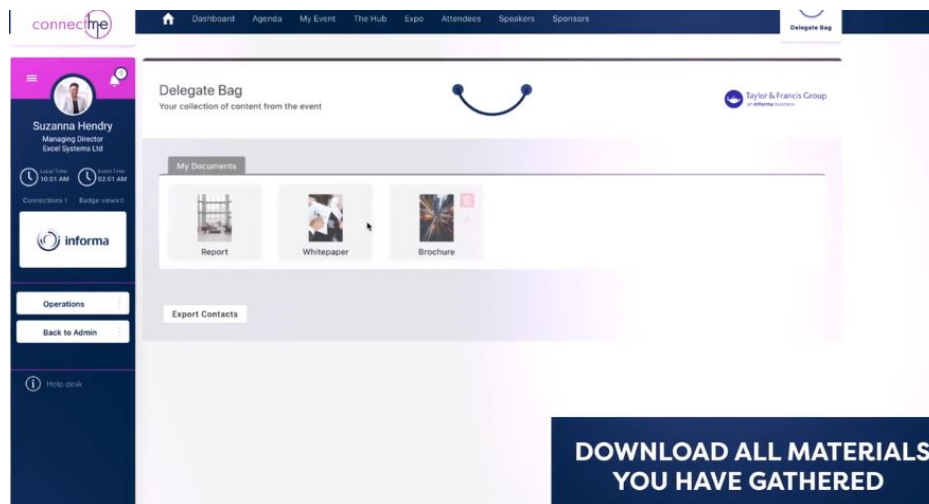

You can also book a scheduled meeting.

Go to the 'Meet The Managers' tab to find someone you'd like to meet with and click on 'Book Meeting'.

EVENT PARTNERS

Don't forget to visit the 'Partners' tab where you can read white papers, reports and other materials related to the conference topics.

Click 'Add to Delegate Bag' to have all your materials gathered in one place.
