THE EVENT

The 20th annual **Québec Apartment Investment Conference** will be a highly informative event that will provide valuable insights about the multi-unit residential market, and where this asset class is heading from the perspectives of owners, developers, investors, and lenders.

Valuable Insights on Trends, Issues, Strategies and Opportunities in the Canadian Apartment Market

The Conference will focus on many of the opportunities and risks in today's investment real estate market and environment for owners of apartments.

This targeted event has been organized by Informa Canada, the producers of the Real Estate Conferences, in conjunction with a steering committee of some of the key Montréal-based apartment owners, lenders, brokers, and valuers.

Who Attends?

Attendees reach 800 CEOs, CFOs and other senior executives of large and small firms that own apartment buildings joined by public and private equity investors, pension funds, financial institutions, lenders, commercial real estate brokers, lawyers, accountants, appraisers, and other specialists in real estate finance and valuation.

THE OPPORTUNITY TO BE FRONT AND CENTRE

The **Québec Apartment Investment Conference** Sponsorship Program has been designed to ensure that companies receive maximum corporate exposure to all of the attendees at the event.

The 2023 sponsorship program represents a unique marketing opportunity for companies that want to reach the "who's who" of the real estate industry responsible for apartment owners, developers, investors and lenders.
