An intelligent data platform powered by Preqin to enhance attendee data at SuperReturn events.

## Benefits

### Attendee List Integration

The event attendee list will be uploaded to the InvestorInsights platform and overlaid with Preqin data. Allowing sponsors to navigate and filter by investment interests.

### Enhanced Insights

Overlaying the attendee list with Preqin data transforms it into a rich resource, providing detailed insights such as investor type, investment strategy, AUM, region and more.

### Time-Saving Features

The platform's advanced filtering tools and automated notifications significantly reduce the time required to identify and connect with ideal investors.

### Early Access Options

Sponsors can access the platform from five weeks prior to the event. For those looking to gain a competitive edge, an option is available to access the platform as early as eight weeks before the event.
