What is SuperReturn Saudi Arabia?

Following its standout debut in 2025, SuperReturn Saudi Arabia, in strategic partnership with Jada Fund of Funds, returns this January as the Kingdom's premier private capital gathering.

Over 1000 senior decision-makers from across the regional and global investment ecosystem – spanning private equity, venture capital, private credit, energy and infrastructure – will come together to build meaningful partnerships and shape the future of capital in Saudi Arabia and the wider region.

As a sponsor you are at the centre of the conversation – connecting with key stakeholders, elevating your brand and unlocking opportunities in one of the world's most dynamic investment landscapes.

Who is attending?

SuperReturn Saudi Arabia brings together 1,000+ of the most influential figures in private capital, including C-suite executives, managing partners, and top-level decision-makers from across the globe.

300+ LPs will attend, representing sovereign wealth funds, government-backed investment institutions, pension funds, insurers, endowments, and DFIs - all with a strong strategic interest in Saudi Arabia and the wider GCC.

600+ GPs from leading private capital firms - from global powerhouses to regional leaders - actively deploying capital across private equity, private credit, venture capital, infrastructure, and beyond.

This is where regional and international players come together to build relationships, explore co-investments, and shape the future of private markets in the region.
