2) AMERICANS WITH DISABILITIES ACT (ADA)

All exhibitors are required and shall be fully responsible for complying with the Americans with Disabilities Act (ADA) as well as local rules and regulations with regard to their participation in the conference and their booth space, including, but not limited to, the wheelchair access provisions of such laws. Exhibitors shall indemnify, defend and hold harmless Informa Tech, part of Informa plc, its officers, directors, agents, members and employees from and against any claims, liabilities, losses, damages and expenses (including attorneys' fees and expenses) resulting from or arising out of the exhibitors' failure or allegations of exhibitors' failure to comply with the provisions of the ADA or local rules and regulations. Information regarding ADA compliance is available from the U.S. Department of Justice ADA Information Line (800-514-0301).

The conference is open to the trade only. No one under 18 years of age will be allowed on the show floor at any time. No one will be allowed on the show floor without a proper badge. Exhibitor Staff badges are for booth staff only. Demographic information is not included with the Exhibitor Staff badge; therefore, all clients and guests need to register as an expo or conference attendee.

5) AUTOMOBILES

Automobiles are allowed on the Exhibit Floor for booth 20' x 20' or larger, however exhibitors are required to sign a Hold Harmless Agreement **BEFORE** the auto is brought to show site. Please be sure to notify Show Management that you are planning to bring an auto to the event by filling out the [Automobile Request Form](#).

6) BADGES

Each exhibiting company receives booth staff badges for set-up staff. All other guests, customers, & clients will have to register as "Exhibits Only" and will have access to the show floor only during the posted exhibit floor hours. Demographic information will be required to order Exhibits-Only badges, and limited information will be required for staff badges.

7) BANNER REQUIREMENTS

Pole Pockets – Include 4" pole pockets on the top and bottom of the banner. "Acceptable" condition is required. We strongly suggest banners are stored and/or shipped in round shipping cases and not folded or creased for storage or shipping prior to the event. In the case Show Management determines a banner to be unacceptable, the banner will not be displayed, and a replacement banner may be created on-site using Freeman's services, at the Sponsor's expense.

8) BOOTH GIVEAWAYS AND SPONSORSHIP EXCLUSIVITY

If you are planning on giving away remembrances to attendees who visit your booth, please be sure that these mementos do not infringe on the exclusivity of any official sponsorships as you will not be allowed to give them out from your booth if they are an infringement. If you are concerned that your giveaway might fall into this category, please contact Show Management or your sales representative prior to production so as not to incur unnecessary costs. See the acceptable and unacceptable booth giveaways list in this section.

*Due to facility regulations, the following items are not permitted on the premises:
Stickers or Adhesive Backed Decals/Glitter or Confetti/Helium or Mylar Balloons

9) BOOTH REPRESENTATIVES AND STAFF

All company representatives shall wear badge identification furnished by Show Management at all times.

All exhibitors should be familiar with the Moscone Convention Center's Rules and Regulations. For further information please visit www.moscone.com.

12) DRONES

Please be advised that drones are not allowed to be operated anywhere in Moscone. There are very limited scenarios where this policy may be considered, however, prior review and approval (in writing) must be obtained from Moscone Convention Center Senior Leadership team and Show Management. Any such requests must be made at least 60 days prior to any event to allow for sufficient review time. This policy also applies to any un-manned vehicles.

Moscone Convention Center's Drone Rules can be found here: <https://www.moscone.com/drone-policy>. (See rule #15 below)

13) DECORATOR

Freeman is the Official General Contractor. The lobby and registration area is a "NO solicitation area" for all exhibitors. Any demonstrations or costumes found to be in poor taste or not within the scope of the show by Show

Management is not permitted. For the safety of all show participants, we recommend the characters have someone with them (a guide) at all times. Characters and guides must be badged as exhibitors and conform to all other general rules, safety arrangements, and the GDC Code of Conduct (see rule #10 above).

Please take into consideration the placement of speakers and theater presentations when designing your booth properties and face the speakers so as to direct sound and light into the booth rather than into the aisle.
