

Remo Registration Pre-Event Steps

The event platform will open March 18th 12:30 CET at which time you can log in, update your profile and start interacting with other attendees. Prior to this time, the platform will not be available.

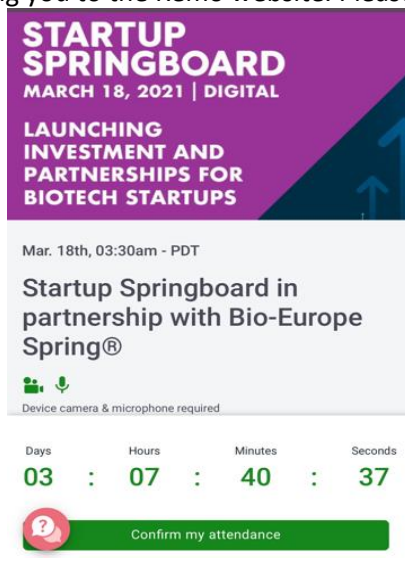

First, you need to register for the event.

Remo Login Steps: PRE-EVENT

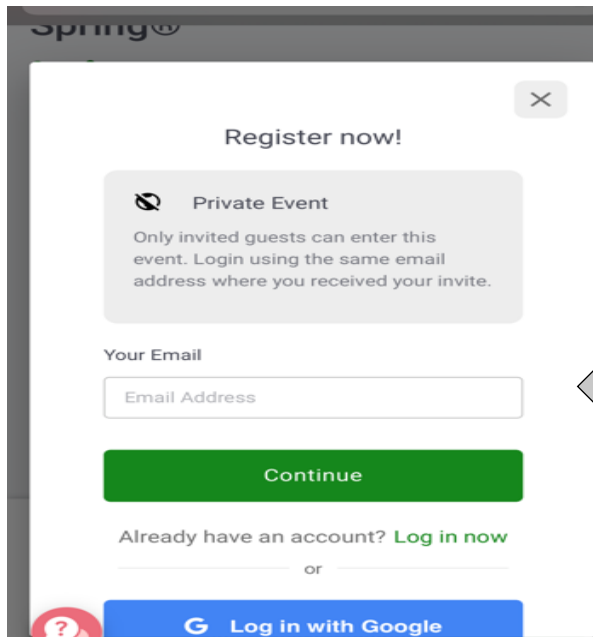

- 1) You will receive an email directly from **Remo**. It will look just like the one below except it will be from: Michelle Murawski, Simone Thater or Olivia Guiliana

- 2) In the email, please click on the **"Accept My Invitation"** button
- 3) This will bring you to the Remo website. Please select the green button **"Confirm my attendance"**

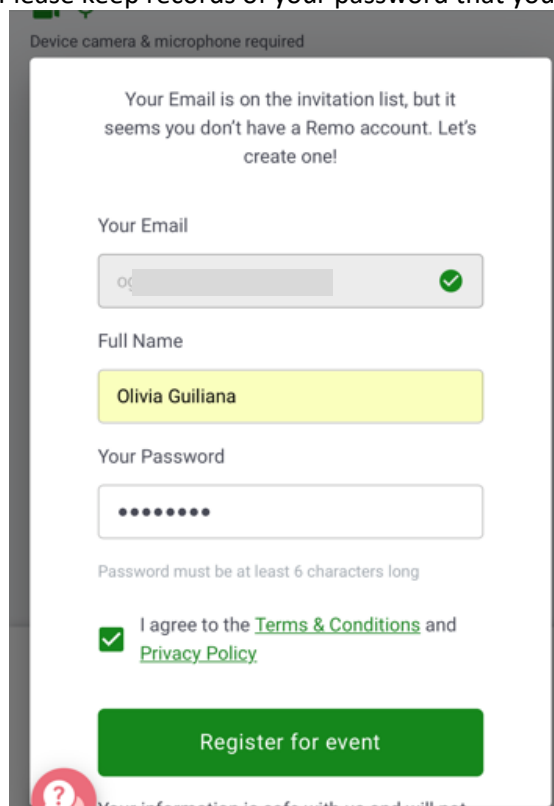

- 4) Once you press the green **“Confirm my attendance”** button, Remo will prompt you to register for the event. Please type in your email with the same email that you received your invite. Select **“Continue”** once you have entered in your email.

PLEASE USE THE EMAIL THAT YOU RECEIVED YOUR REMO INVITE IN

Once you enter your email, select continue

- 5) The next window will ask you to create your Remo account if you do not already have one. Please enter your **“Full Name”** and create a password. Agree to the terms and conditions and select **“Register for the event”**. Please keep records of your password that you created you can login easily on the day of the event.

Once you enter in your name, create a password, agree to the T's and C's, select **“Register for event”**

6) The last window will say "Registration Successful!"
