09:50 - 10:20
IM|Power Leaders

Morning coffee and networking break

10:20 - 11:10

Opening keynote

11:10 - 11:30
FundForum International

View from the top: Business transformation and the evolution of the industry - What does the next generation business and operating model look like?

11:30 - 12:00
FundForum International

How CEOs are achieving a competitive edge, organic growth and mitigating risk using smart management information – How can you fuel growth, product innovation and deliver a world-class customer experience?

12:00 - 12:30
FundForum International

The Big Business Question – How top asset allocators and investment managers are preparing for the short to long-term impacts of inflation on investment portfolios - Implications, risks and opportunities?

12:30 - 13:00
FundForum International

Networking break and lunch

13:00 - 14:20

Exclusive research: Global fund dynamics – Discover the latest cross-border distribution trends

14:20 - 14:40
FundForum International - Distribution

Changing distribution model: How is the closing of the supply chain transforming the distribution landscape?

14:40 - 15:10
FundForum International - Distribution

Positioning yourself for success in Sub-Advisory: Disintermediation, client and brand

15:10 - 15:40
FundForum International - Distribution

The sub-advised fund model, alongside other forms of delegated investment solutions, has experienced tremendous growth over the past five years. As more distributors look for ways to optimise and differentiate their Open Architecture offerings, how will the distribution landscape for third party funds be impacted? What upcoming developments should we anticipate? Which markets and firms may be caught in the next growth wave and how does the industry need to adapt?

Networking break and afternoon tea

15:40 - 16:10

Private banking and the latest mega trends – digitalisation, responsibility, engagement, outsourcing and communication – How are top private banking CIOs embracing the future?

16:10 - 16:40
FundForum International - Distribution

The future for advice - The Great Bifurcation: How can wealth managers provide value in the age of the internet and self-indexing?

16:40 - 17:10
FundForum International - Distribution

Gameshow: Institutionalisation of retail – How are managers adjusting to this paradigm shift?

17:10 - 17:40
FundForum International - Distribution

Chief Marketing Officers go head-to-head on offering increased customisation and extending into new product areas including private markets, the next wave of ESG and client interest crypto

Closing Keynote: Lessons in building teams for maximum agility in high-risk situations with slim margins for error

17:40 - 18:10
IM|Power Leaders

IM|Power evening drinks reception

18:10 - 20:10
