2020 CORPORATE SPONSORSHIP PROGRAM

Attendance of Over 700 Real Estate Executives
Active in the Winnipeg Market

THE EVENT

The 6th biennial Winnipeg Real Estate Forum will be chaired by Jim Ludlow, President, True North Development. The Forum will be held on May 5, 2020 at the Winnipeg Convention Centre.

In 2018, the Forum was sold out with an attendance of over 700 executives – 30% of whom were from outside of Manitoba.

You will learn the real story about the strength of the Winnipeg economy and its real estate market, and how it is performing from both a leasing and investment perspective.

The program will offer a wide range of speakers, presentations and panel discussions on the economic drivers Winnipeg; the major trends in the office, industrial, retail and apartment markets; the pricing and availability of financing from the credit markets; and key municipal planning and growth management policies.

The Forum will be targeted at the interests of real estate executives, brokers, developers, investors, asset managers, and other professionals active in the acquisition, leasing, financing, management, and marketing of office, industrial, retail, and multi-unit residential real estate.

The Winnipeg Real Estate Forum will help you determine what strategies to follow for 2020 and beyond.
